Subject: Request for Discontinuation of Internship and resume MHRD stipend for GATE student

Respected Sir,

I was selected for an Internship in AMD, Hyderabad by personal interview through campus drive. The internship duration was from 05/06/2023 to 04/06/2024. But I was not given a quality assignment to be done which could have enhanced my skill-set. Therefore, I am discontinuing my internship in industry from 22/09/2023 and would like to do a full-time dissertation at the institute.

I would like to request you to resume the MHRD stipend effective from 27/09/2023 for the TA duty which was paused during my internship period. I will be staying in campus for the remaining duration of my M.Tech and will perform all the TA duties assigned to me. I will also comply with all the rules and guidelines mandatory to get the stipend.

I am attaching the certificate which serves as official documentation of my departure from the organization.

Thanking you

Yours Truly,
Nihar Sodhaparmar
